Keeping in mind the demand of public and private sectors, there has been a change in the areas of education, following which students are showing deep interest in pursuing law to better their future. Apart from those facts, Mr. B.D. Singh, Founder and Chairperson, Impact College of Law (ICL) and Director Mr. Manish Kumar have observed that there are no institutions that provide high-quality law education to students in Patna. Students from Bihar have been migrating to other states in their pursuit of quality law education. Students, finally your long wait is over..! We are very delighted to say that Impact College of Law, affiliated to Patliputra University, has been established in Patna and aims at providing legal education. Impact College of Law runs LL.B., BA-LL.B., and BBA-LL.B. programmes to brighten up students' careers. ICL is committed to brushing up their talents to ensuring their all-round development. The college also helps students get education loans through the Student Credit Card under the DRCC Scheme. After completing their law degree, students have a bright career. They can prepare for judicial services, become a successful lawyer, solicitor, legal analyst, legal advisor, legal researcher, public prosecutor, or corporate lawyer. They can even go for higher studies. May all students aspiring to study law be blessed with an attractive and lucrative future.
