Declaration

I, Dr. Niharika, Principal In-Charge, Impact College of Law, hereby affirm and declare that Impact College of Law was granted affiliation from Patliputra University, Patna and approval from Bar Council of India (BCI) in 2023.

Students pursuing their LLB for the sessions 2023-26 and 2024-27, as well as BA-LLB programmes for the sessions 2023-28 and 2024-29 at Impact College of Law, have not been placed so far. The specific reason for this is that they are still continuing their legal studies. Placement activities will be conducted after the completion of their courses, in accordance with the norms.

The statements above, to the best of my knowledge, are true, and nothing has been concealed.
